

## Raffle Prize Donation

Ronald McDonald House Charities of San Diego (RMHC-SD) is accepting proposals from businesses to spotlight products and services through San Diego Giving Back Raffle. Businesses would donate products and services as raffle prizes in exchange for recognition on a dedicated "Support San Diego" page or pages in the raffle brochure, and on the raffle website, amongst other possible marketing placements.

### **Program Requirements:**

- Businesses will be required to make available at least \$10,000 of products and services to be offered as prizes in upcoming raffle fundraisers. Quantity of products and services may vary, provided that 1) value per unit exceeds \$100, and 2) total value of all products and services exceeds \$10,000.
- Featured businesses may elect to raise awareness, market, or advertise their participation in the Giving Back Raffle in any capacity they deem suitable.
- Donated products/services remain tax-deductible to the extent of their retail value after calculated receivables.
- Products and services must carry a good-through date equivalent to 12 months from date of prize awarding or later.
- Unless otherwise agreed upon by RMHC-SD, prizes should be received by RMHC-SD no later than 60 days before start of raffle which coincides with the first day of ticket sales.
- Once product or service is delivered to winner, business is responsible for directly responding to customer inquiries and other support.
- Once approved logos and naming conventions are provided by businesses, RMHC-SD will have sole discretion of usage within its raffle program.
